**NON-URGENT RESULTS THAT REQUIRE A FOLLOW UP APPOINTMENT.**

**URGENT.**

You will be notified via SMS that the result has been reviewed by your GP and is within an acceptable range.

You will review an SMS to advise you to make an appointment with your GP to discuss your result.

You will be contacted by clinical staff.

This way, we can contact you in a timely manner. This is much safer, faster and more reliable than a letter in the mail.

**The SMS you will receive will look like this.**

**Verify your identity.**

**Important health message received.**
